

Dear Mr. Chairman and Members of this Committee,

My name is Jacob Ticknor, and I am 11 years old. I would like to ask you to vote no to Senate Bill 415.

We already have 4 animals that are symbols for Montana, one that is an insect, a butterfly. We have the grizzly bear that is the state animal, the state bird is the Montana Meadowlark, the state butterfly is the Mourning Cloak, and the state fish is the Blackspotted Cutthroat Trout.

You are really busy right now since it is almost time for all the bills to change sides, and this isn't really important since it doesn't make Montana a better place to live in.

Please vote no to another state insect.

Thank you,
Jacob Ticknor
